Updated on 10 May 2024

Introduction

This procedure (**Procedure**) defines the rules for Relevant Parties and those Closely Associated with them (as defined below), and for Fine Foods & Pharmaceuticals N.T.M. S.P.A. (**Fine Foods** or the **Company**), as defined below, to meet the disclosure obligations to the Company, Consob and the market about Relevant Transactions (as defined below), carried out directly or through third parties, involving financial instruments issued by Fine Foods or other related financial instruments.

The legal and regulatory framework of the above disclosure obligations (**Regulations**) is in Article 19 of Regulation (EU) no. 596/2014 of the European Parliament and Council of 16 April 2014, as amended and supplemented (**Market Abuse Regulation**), Delegated Regulation (EU) 2016/522 of the Commission of 17 December 2015 (**Delegated Regulation (EU) 2016/522**) and Implementing Regulation (EU) 2016/523 of the Commission of 10 March 2016 (**Implementing Regulation (EU) 2016/523**), in Legislative Decree no. 58 of 24 February 1998 (Consolidated Law on Financial Intermediation - **TUF**) and the Regulation adopted by Consob with Resolution no. 11971 of 14 May 1999 (**Regulation 11971/1999**).

For matters not expressly provided for in this Procedure, please refer to applicable legal and regulatory provisions.

1. In addition to the terms defined in other parts of this Procedure, those indicated below have the following meanings:

Shares or **Fine Foods Shares**: Company's ordinary shares listed on Euronext STAR Milan, organised and managed by Borsa Italiana S.p.A.

Board of Statutory Auditors: the Company Board of Statutory Auditors in office.

Board of Directors: the Company Board of Directors in office.

Controlling or Subsidiary: has the meaning outlined in Art. 2359 of the Italian Civil Code and Art. 93 of TUF.

- (b) the allocation of Financial Instruments (as defined below) due following the exercise of listed and unlisted instruments which attribute the right to subscribe, purchase or sell Shares, and the exercise of the conversion right connected to convertible bonds, including *cum warrants*, was executed;
- (c) the assignment of Financial Instruments following the execution of capital transactions was carried out.

Inside Information: under Art. 7, paragraph 1, letter a) of the Market Abuse Regulation, is precise information, which has not been made public, and directly or indirectly relates to the Company or one of its Subsidiaries or one or more Company Financial Instruments, and which, if made public, would be likely to have a significant effect on the prices of such Financial Instruments.

For definition purposes:

- information is "*precise*" if:

- (a) it refers to circumstances that exist or might happen or an event which has occurred or might occur; and
- (b) it is specific enough to allow conclusions to be drawn on the possible effect of the circumstances or event under (a) on the Financial Instruments' prices.

During a prolonged process that determines a certain circumstance or event, this circumstance or event and all the steps between can be considered precise information. An intermediate step in a prolonged process is Inside Information if it meets the criteria set out in the "Inside Information" definition;

"If the information made public is likely to have a significant effect on the Financial Instruments' prices" it refers to information that a reasonable investor would likely use as part of their investment decisions.

Relevant Parties: under Art. 3, paragraph 1, point 25) of the Market Abuse Regulation:

The Derivative Financial Instruments amount is calculated by referring to the underlying Financial Instruments.

Those Closely Associated with Relevant Parties: under Article 3, paragraph 1, point 26) of the Market Abuse Regulation, are the following:

- (a) the spouse or a partner treated as a spouse under Italian law;
- (b) dependent children under Italian law;

 - (b) to the Company's Appointed Manager (a) **within 3 (three) working days** starting from the Execution Date so that the Company may publish them on its website and using SDIR, **within 2 (two) working days** of receipt of the notification from the Relevant Parties or those Closely Associated with them (excluding Saturday, Sunday and any other public holidays).
2. The notifications to Consob under Art. 2.1.(a) above shall be made by Fine Foods, on behalf of the Relevant Party or those Closely Associated with them if the Relevant Party conferred, also on behalf of those Closely Associated with them, a special assignment to Fine Foods, under Article 4 below.

disclosure form in the annex to the Implementing Regulation (EU) 2016/523 set out under letter A (**Annex A**) attached to this Procedure;

Article 4

Appointing Fine Foods to forward Relevant Transaction notifications to Consob

1. Relevant Parties (and on behalf of those Closely Associated with them, if authorised), may grant Fine Foods a mandate (**Assignment**) to notify Consob of the Relevant Transactions on behalf of the Relevant Parties or those Closely Associated with them within the deadlines.
2. The Assignment is given to Fine Foods by signing Section II of the Form attached to this Procedure under letter B (**Annex B**).
3. Relevant Parties who appointed Fine Foods shall inform the Company's CEO and the Appointed Manager for each Relevant Transaction that has reached the Relevant Amount, and which has been carried out by them or those Closely Associated with them **within 2 (two) working days** from the Execution Date to allow the Company to notify Consob within **3 (three) working days** from the Execution Date. This is without prejudice to the deadline for public disclosure by the Company referred to in the last sentence of Art. 2.1.(b);
4. The notification to Fine Foods under Art. 4.3 above shall be made by the Relevant Party by sending the form in **Annex A** to this Procedure, correctly completed, by e-mail and prior telephone notice to the Appointed Manager at the Company's e-mail address (ir@finefoods.it). The Appointed Manager will provide immediate acknowledgement of receipt, by e-mail to the address that the Relevant Party will provide.

The Company CEO or Appointed Manager shall notify Consob on behalf of the Relevant Party or those Closely Associated with them, under the Regulations, of the transactions disclosed by the above parties no later than **3 (three) working days** from the transactions' Execution Date;

5. Without prejudice to applicable legal provisions and Article 7 below, Fine Foods shall not assume any liability for incorrect, incomplete or untimely disclosure of Relevant Transactions by the Relevant Parties or those Closely Associated with them. If there is any direct responsibility by the Relevant Parties or those Closely Associated with them, Fine Foods has the right to proceed against them for compensation for any damage suffered.

Article 5

Restrictions on transactions by Relevant Parties ("black-out periods")

1. Under Article 19, paragraph 11 of the Market Abuse Regulation, Relevant Parties may not carry out, on their own account or on behalf of third parties, direct or indirect transactions involving Fine Foods Financial Instruments and Related Financial Instruments during the 30 (*thirty*) calendar days preceding the announcement² of an interim or year-end financial report that the Company is required to make public under applicable laws and regulations (**Black-out period**).

²The day of the announcement is the 30th day of the Black-out period.

1. If the Company publishes preliminary data, the Black-out period only applies to the preliminary data publication date (and does not refer to the final data), provided that the preliminary data contains the main information that should be included in the final results.
2. The prohibition does not apply: (i) to exceptional situations of subjective necessity, to be assessed on a case-by-case basis, for example, serious financial difficulties requiring the immediate sale of shares; (ii) when due to trading features of transactions conducted in connection with any employee share ownership plan or a savings programme, a guarantee or rights to shares, or transactions in which the beneficial interest in the relevant security is not subject to change; and (iii) to circumstances and conditions referred to in Article 9 of Delegated Regulation (EU) 2016/522 as set out in **Annex C** to this Procedure.
3. In addition to the provisions of paragraph 5.1 above, the Board of Directors, with a specific resolution, or the Company's CEO in urgent cases, may establish additional periods during which some or all Relevant Parties are prohibited or restricted from carrying out all or some of the transactions referred to in paragraph 1 above, for the time necessary, subject to prior written notice of the start and end date of the period to the parties referred to above and the Appointed Manager.
4. The Party involved must provide written justification of the transaction to the Company, describing it and the exceptional nature of the circumstances, explaining why the transaction cannot be carried out at any other time but during the black-out period.
5. Circumstances are considered exceptional if they are extremely urgent, unforeseen and compelling, cannot be attributed to the Relevant Party and are beyond their control.
6. In examining whether the circumstances described in the written request are exceptional, the Board of Directors (or the CEO) assesses several indicators, and if the Relevant Party:
 - i. must fulfil a legally enforceable financial obligation or a claim at the time the request is submitted;
 - ii. must fulfil or is in a situation created before the beginning of the Black-out period that requires the payment of an amount to a third party, including tax obligations, and such person cannot reasonably fulfil a financial obligation or fulfil a claim other than by immediately selling the Company's Financial Instruments.

Article 6

Disclosure-Subscription

1. The Appointed Manager shall:
 - (a) notify the Relevant Parties that they are subject to the obligations covered by the Procedure;
 - (b) inform each Relevant Party in writing of the Procedure contents so that they:
 - (i) confirm that they have read and acquired full knowledge of the Procedure, by signing Section I of the Form set out in **Annex B**;
 - (ii) formalise any Appointment by signing Section II of the Form set out in **Annex B**;
 - (iii) send a written notification to those Closely Associated with them of the existence of the conditions under which they are bound to the disclosure obligations under the Regulations;

 - (v) draw up and update the list of names of the Relevant Parties and those Closely Associated with them and keep the declarations of knowledge and acceptance of the Relevant Parties, and a record of notifications received and made to the market and Consob.
2. The Procedure is applicable to Relevant Parties even if they have not returned the notice of acknowledgement and acceptance referred to in paragraph 6.1(b) above to the Appointed Manager.

Article 7 **Penalties**

1. Failure to comply with the Procedure by the Relevant Parties may result in non-compliance with applicable regulatory provisions by the Company. This may result in the application of penalties to the Company under the Market Abuse Regulation and the TUF, and any additional legal and regulatory provisions.
2. If the Company incurs financial penalties for violation of the provisions on corporate disclosure resulting from non-compliance with the principles outlined in the Procedure or applicable laws or regulations, the Company shall act in recourse against the parties responsible for such violations, to obtain reimbursement of such penalties.
3. Violation of the obligations under this Procedure, even if it does not result in conduct sanctioned by the relevant judicial or supervisory authorities, may cause a significant damage to the Company and its reputation, with considerable financial consequences. The violation entitles the Company to claim compensation for damages from the perpetrator.
4. If the violation was committed by a Company director, they may not take part in the decision on penalties. If the Board of Directors' majority took part in the violation, the Board of Auditors will be responsible for taking the appropriate measures.
5. If the violation was committed by a Relevant Party or those Closely Associated with them and these are employees, this may result in a disciplinary offence and, in the most serious cases, dismissal.

Article 8 **Amendments and additions**

1. If the Procedure's provisions need to be amended based on applicable laws or regulations or requests from Borsa Italiana S.p.A., this can be done by the CEO with later ratification of the amendments by the Board of Directors.
2. The Appointed Manager shall promptly notify the Relevant Parties in writing of the amendments or additions to this Procedure and obtain their acceptance of the new contents in the manner outlined in Article 6 above. The notification shall specify the new or amended provisions' effective date.

Such notifications shall be made promptly and no later than three business days after the date of the transaction.

The first subparagraph applies once the total amount of transactions has reached the threshold set out in paragraph 8 or 9, as applicable, within a calendar year.

1.a. The notification obligation referred to in paragraph 1 shall not apply to transactions in financial instruments linked to shares or to debt instruments of the issuer referred to in that paragraph where at the time of the transaction any of the following conditions is met:

- (a) the financial instrument is a unit or share in a collective investment undertaking in which the exposure to the issuer's shares or debt instruments does not exceed 20 % of the assets held by the collective investment undertaking;
- (b) the financial instrument provides exposure to a portfolio of assets in which the exposure to the issuer's shares or debt instruments does not exceed 20 % of the portfolio's assets;
- (c) the financial instrument is a unit or share in a collective investment undertaking or provides exposure to a portfolio of assets and the person discharging managerial responsibilities or person closely associated with such a person does not know, and could not know, the investment composition or exposure of such collective investment undertaking or portfolio of assets in relation to the issuer's shares or debt instruments, and furthermore there is no reason for that person to believe that the issuer's shares or debt instruments exceed the thresholds in point (a) or (b).

If information regarding the investment composition of the collective investment undertaking or exposure to the portfolio of assets is available, then the person discharging managerial responsibility or person closely associated with such a person shall make all reasonable efforts to avail themselves of that information.

2. For the purposes of paragraph 1, and without prejudice to the right of Member States to provide for notification obligations other than those referred to in this Article, all transactions conducted on the own account of the persons referred to in paragraph 1, shall be notified by those persons to the competent authorities.

The rules applicable to notifications, with which persons referred to in paragraph 1 must comply, shall be those of the Member State where the issuer or emission allowance market participant is registered. Notifications shall be made within three working days of the transaction date to the competent

authority of that Member State. Where the issuer is not registered in a Member State, the notification shall be made to the competent authority of the home Member State in accordance with point (i) of Article 2(1) of Directive 2004/109/EC or, in the absence thereof, to the competent authority of the trading venue

3. The issuer or emission allowance market participant shall make public the information contained in a notification referred to in paragraph 1 within two business days of receipt of such a notification.

The issuer or emission allowance market participant shall use such media as may reasonably be relied upon for the effective dissemination of information to the public throughout the Union, and, where applicable, it shall use the officially appointed mechanism referred to in Article 21 of Directive 2004/109/EC.

Alternatively, national law may provide that a competent authority may itself make public the information.

4. This Article shall apply to issuers who:

- (a) have requested or approved admission of their financial instruments to trading on a regulated market; or
- (b) in the case of an instrument only traded on an MTF or an OTF, have approved trading of their financial instruments on an MTF or an OTF or have requested admission to trading of their financial instruments on an MTF.

5. Issuers and emission allowance market participants shall notify the person discharging managerial responsibilities of their obligations under this Article in writing. Issuers and emission allowance market participants shall draw up a list of all persons discharging managerial responsibilities and persons closely associated with them.

Persons discharging managerial responsibilities shall notify the persons closely associated with them of their obligations under this Article in writing and shall keep a copy of this notification.

6. A notification of transactions referred to in paragraph 1 shall contain the following information:

- (a) the name of the person;
- (b) the reason for the notification;
- (c) the name of the relevant issuer or emission allowance market participant;
- (d) a description and the identifier of the financial instrument;
- (e) the nature of the transaction(s) (e.g. acquisition or disposal), indicating whether it is linked to the exercise of share option programmes or to the specific examples set out in paragraph 7;
- (f) the date and place of the transaction(s); and
- (g) the price and volume of the transaction(s). In the case of a pledge whose terms provide for its value to change, this should be disclosed together with its value at the date of the pledge.

7. For the purposes of paragraph 1, transactions that must be notified shall also include:

- (a) the pledging or lending of financial instruments by or on behalf of a person discharging managerial responsibilities or a person closely associated with such a person, as referred to in paragraph 1;
- (b) transactions undertaken by persons professionally arranging or executing transactions or by another person on behalf of a person discharging managerial responsibilities or a person closely associated with such a person, as referred to in paragraph 1, including where discretion is exercised;
- (c) transactions made under a life insurance policy, defined in accordance with Directive 2009/138/EC of the European Parliament and of the Council, where:

- (i) the policyholder is a person discharging managerial responsibilities or a person closely associated with such a person, as referred to in paragraph 1,
- (ii) the investment risk is borne by the policyholder, and
- (iii) the policyholder has the power or discretion to make investment decisions regarding specific instruments in that life insurance policy or to execute transactions regarding specific instruments for that life insurance policy.

For the purposes of point (a), a pledge, or a similar security interest, of financial instruments in connection with the depositing of the financial instruments in a custody account does not need to be notified, unless and until such time that such pledge or other security interest is designated to secure a specific credit facility.

For the purposes of point (b), transactions executed in shares or debt instruments of an issuer or derivatives or other financial instruments linked thereto by managers of a collective investment undertaking in which the person discharging managerial responsibilities or a person closely associated with them has invested do not need to be notified where the manager of the collective investment undertaking operates with full discretion, which excludes the manager receiving any instructions or suggestions on portfolio composition directly or indirectly from investors in that collective investment undertaking.

Insofar as a policyholder of an insurance contract is required to notify transactions according to this paragraph, an obligation to notify is not incumbent on the insurance company.

- 8. Paragraph 1 shall apply to any subsequent transaction once a total amount of EUR 5 000 has been reached within a calendar year. The threshold of EUR 5.000 shall be calculated by adding without netting all transactions referred to in paragraph 1.
- 9. A competent authority may decide to increase the threshold set out in paragraph 8 to EUR 20.000 and shall inform ESMA of its decision and the justification for its decision, with specific reference to market conditions, to adopt the higher threshold prior to its application. ESMA shall publish on its website the list of thresholds that apply in accordance with this Article and the justifications provided by competent authorities for such thresholds.
- 10. This Article shall also apply to transactions by persons discharging managerial responsibilities within any auction platform, auctioneer and auction monitor involved in the auctions held under Regulation (EU) No 1031/2010 and to persons closely associated with such persons in so far as their transactions involve emission allowances, derivatives thereof or auctioned products based thereon. Those persons shall notify their transactions to the auction platforms, auctioneers and auction monitor, as applicable, and to the competent authority where the auction platform, auctioneer or auction monitor, as applicable, is registered. The information that is so notified shall be made public by the auction platforms, auctioneers, auction monitor or competent authority in accordance with paragraph 3.
- 11. Without prejudice to Articles 14 and 15, a person discharging managerial responsibilities within an issuer shall not conduct any transactions on its own account or for the account of a third party, directly or indirectly, relating to the shares or debt instruments of the issuer or to derivatives or other financial instruments linked to them during a closed period of 30 calendar days before the announcement of an interim financial report or a year-end report which the issuer is obliged to make public according to:
 - (a) the rules of the trading venue where the issuer's shares are admitted to trading; or
 - (b) national law.
- 12. Without prejudice to Articles 14 and 15, an issuer may allow a person discharging managerial responsibilities within it to trade on its own account or for the account of a third party during a closed period as referred to in paragraph 11 either:

- (a) on a case-by-case basis due to the existence of exceptional circumstances, such as severe financial difficulty, which require the immediate sale of shares; or
 - (b) due to the characteristics of the trading involved for transactions made under, or related to, an employee share or saving scheme, qualification or entitlement of shares, or transactions where the beneficial interest in the relevant security does not change.
13. The Commission shall be empowered to adopt delegated acts in accordance with Article 35 specifying the circumstances under which trading during a closed period may be permitted by the issuer, as referred to in paragraph 12, including the circumstances that would be considered as exceptional and the types of transaction that would justify the permission for trading.
 14. The Commission shall be empowered to adopt delegated acts in accordance with Article 35, specifying types of transactions that would trigger the requirement referred to in paragraph 1.
 15. In order to ensure uniform application of paragraph 1, ESMA shall develop draft implementing technical standards concerning the format and template in which the information referred to in paragraph 1 is to be notified and made public.

ESMA shall submit those draft implementing technical standards to the Commission by 3 July 2015.

Power is conferred on the Commission to adopt the implementing technical standards referred to in the first subparagraph in accordance with Article 15 of Regulation (EU) No 1095/2010.

Administrative sanctions and other administrative measures

1. Without prejudice to any criminal sanctions and without prejudice to the supervisory powers of competent authorities under Article 23, Member States shall, in accordance with national law, provide for competent authorities to have the power to take appropriate administrative sanctions and other administrative measures in relation to at least the following infringements:

 - (b) failure to cooperate or to comply with an investigation, with an inspection or with a request as referred to in Article 23(2).

Member States may decide not to lay down rules for administrative sanctions as referred to in the first subparagraph where the infringements referred to in point (a) or point (b) of that subparagraph are already subject to criminal sanctions in their national law by 3 July 2016. Where they so decide, Member States shall notify, in detail, to the Commission and to ESMA, the relevant parts of their criminal law.

By 3 July 2016, Member States shall notify, in detail, the rules referred to in the first and second subparagraph to the Commission and to ESMA. They shall notify the Commission and ESMA without delay of any subsequent amendments thereto.

2. Member States shall, in accordance with national law, ensure that competent authorities have the power to impose at least the following administrative sanctions and to take at least the following administrative measures in the event of the infringements referred to in point (a) of the first subparagraph of paragraph 1:
 - (a) an order requiring the person responsible for the infringement to cease the conduct and to desist from a repetition of that conduct;

2. In the exercise of their powers to impose administrative sanctions and other administrative measures under Article 30, competent authorities shall cooperate closely to ensure that the exercise of their supervisory and investigative powers, and the administrative sanctions that they impose, and the other administrative measures that they take, are effective and appropriate under this Regulation. They shall coordinate their actions in accordance with Article 25 in order to avoid duplication and overlaps when exercising their supervisory and investigative powers and when imposing administrative sanctions in respect of cross-border cases.

The written request shall describe the envisaged transaction and provide an explanation of why the sale of shares is the only reasonable alternative to obtain the necessary financing.

Article 8

Exceptional circumstances

2. Circumstances referred to in paragraph 1 shall be considered to be exceptional when they are extremely urgent, unforeseen and compelling and where their cause is external to the person discharging managerial responsibilities and the person discharging managerial responsibilities has no control over them.
